Life in Netherlee Kirk

September 2017

Forthcoming Services

SEPTEMBER

Sunday 3rd 10.00 am Morning Worship Sunday Club resumes
**Rev Scott Blythe preaches as sole nominee
for the vacancy and also in Stamperland at
11.30 am.**

2.45 pm Both Kirk Sessions to meet in Stamperland Church
3.00 pm Joint Congregational social in Stamperland Church

Sunday 10th 10.30 am Morning Worship
Admission of new Communicants
4.00 - 6.00 pm Messy Church

Sunday 17th 10.30 am Morning Worship

Sunday 24th 10.30 am Morning Worship

OCTOBER

Sunday 1st 10.30 am Morning Worship
Baptism of Charlotte Victoria Quinn

Sunday 8th 10.30 am Morning Worship
Harvest Thanksgiving Family Service
Donations of produce to LHM
Harvest offering to Sri Lanka

Youth Organisations dedication and launch of Shoe
Box Appeal.

From the Minister

Dear friends,

During our summer services, it has been fascinating to receive pictures from the travels of so many of our congregation. Our little shopping bags have been taken around the world and on them, the message that God is with us wherever we go. We have seen lots of smiling faces of friends and families enjoying fine holidays and new adventures together. We even had a picture from one of our wedding couples on their honeymoon! Thanks to all who joined the fun and sent pictures. We have surely been blessed to share in the joy of so many of our friends on their journeys.

The little message on the bag is a good reminder of God's assured presence when our journey takes us to unexpected places where we may find ourselves nervous, uncertain and perhaps even fearful. We have the promise that if God is with us then His resources of grace, love, and mercy are also available to us.

Over the summer months we have looked at a wide variety of different journeys recorded in the Bible. In each case we have found that people have discovered more about themselves and God along the way, and more often than not they were changed in some way.

This month we have come to a significant point in the journey which our congregation as a whole embarked upon a few years ago. We have a Sole Nominee presented by our joint Nominating Committee with Stamperland. Should he be accepted by both congregations, we will begin the next chapter in working closer together with our neighbours. As in any journey we may well find some unexpected

twists and turns along the way but again, we have the assurance that God is with us to meet every challenge.

I was asked to read a poem at a recent funeral service which spoke to me very deeply. The author is unknown. The poem conveys a powerful message that when all is said and done, when we have tried our best and when our resources run out, there comes a time when we have to hand things over to God in faith, hope and trust.

I try to help the ones I know,
each sad and troubled heart.
But in the lives of those I love
I only play a part.
I see the worry and distress,
the dreams that won't come true.
Lord, let me do the best I can
And leave the rest to you.

And in my own life, now and then,
when things are going wrong.
I tell myself you're always near
and you will make me strong.
So when the doubt comes creeping in
As doubt will sometimes do.
Lord, let me do the best I can
And leave the rest to you.

May our gracious God draw near as we journey on together.

Rev Tom Nelson

Soon it will be 30 years since the Glasgow Garden Festival! It is now hard to find the site along the river with the building that has happened since the Festival. BBC, STV and the Science Centre are just some of the new buildings. Eco-Congregation Scotland is joining RSPB to develop activities for churches to look at gardening and wildlife. As most of us in Netherlee have gardens I am hoping that these activities will be relevant for us. The focus will be on biodiversity and garden birds. In the meantime I think a trip to the riverside to look for remnants of the Garden Festival site! I am sure there are interesting patches around.

Sheena Wurthmann

KIRK SESSION Summer Update

Welcome back – summer must be over. I hope you all enjoyed the summer break from the usual routine. The Kirk Session last met on Tuesday 6 June so most of what was discussed is now out of date. Two things I will mention though was the excellent report and experience Mike Buchan had of his week at the General Assembly which he found very busy and very tiring but a very worthwhile week with HRH The Princess Royal in particularly good form as the Lord High Commissioner on behalf of the Queen. Secondly and much less grand was the decision by the Kirk Session to revert to serving Communion in the gallery following a plea to the Moderator. It would be fair to say that the Session were fairly evenly split when it came to voting on the matter, however there were a few more votes in favour of re-instating the procedure which will occur at the November Communion. The Session also agreed to continue with the 3pm Communion service meantime but to keep it under review.

As I started to write this article I was reminded that at this time last year we were still experiencing disruption with the Halls Project – and at that time we were assured that the project would be completed on schedule by 3 October – Oh how wrong that date turned out to be!!! One year on it seems like a distant memory and we have come to enjoy our enhanced facilities with Church and Non Church organisations alike grateful for the alterations we have made.

The day this edition of LINK is published - 3 September will be a momentous one in the life of Netherlee and Stamperland. Hopefully the vote that day to elect Scott Blythe as the new minister will be clear and decisive allowing Scott to accept the call and allowing both churches to set about the start of a new era in the life of both Churches. While we can rejoice in that let's not forget that for Tom and Catherine it will seem strange for them to be still in post but planning for the next stage in their lives. We need to be sensitive to their needs and recognise the next year will not always be easy for them to adjust to. Tom as ever will use that time to help the new minister settle in to his new charge and to be ready for the linkage to be confirmed once Tom demits office from Netherlee around the end of July 2018. He will be able to introduce him to the other clergy

attached to Clarkston Churches Together; the primary and secondary schools chaplaincy team; to say nothing of the workings of Glasgow Presbytery. I hope for both it will be a rewarding and useful experience from which both churches will benefit.

The Congregational roll at 6 June stood at 602.

It was good to see the Holiday Club back on our Agenda with new leadership and a different style. All the reports I have received were positive with it being marked as a great success. The service taken by them on 13 August was great with the youthful enthusiasm there for all to see. I am sure there will be other comments appearing elsewhere in this edition. From a Kirk Session perspective, I would like to record our thanks to Stuart Buchanan as Convener of the Children and Youth Ministry Group with the support of other members of the Group for co-ordinating the administration of the week's programme under the guiding leadership of Jenny Hamill.

Thanks are due to the Guild for providing the coffee mornings each Thursday in July and August. As usual the home baking was terrific and again it was well supported by you and some members of the Community. It was also great to see some new faces helping out on the AV desk during the summer months. To Elspeth Dick, Ben Crawford, and Alexander McArthur our thanks.

I am sorry to report that we are still searching for a new BB captain but I will keep you advised of developments.

Thanks are also due to the Families and church members who volunteered to carry out the welcomes and readings during the summer and to the Ministers and readers who stood in for Tom while he was on holiday or study leave.

Looking forward, Session 2017/2018 will be an exciting one of changes, new opportunities and who knows what else but I am sure we will face up to whatever challenges are presented to us.

John Montgomery
Session Clerk

278 Glasgow Boys 'Brigade Company Section Summer Camp

We had some mixed weather this year but made the best of our summer camp at Tighnabruaich. We set off from Netherlee Pavilion on Sunday 30th July with a spring in our step ready for an exciting week ahead of us. As usual the advance party of officers set off the day before to prepare for our arrival. By chance the 44th Dundee Company were camping close by celebrating their 50th anniversary. Our officers were invited to join their celebration on Saturday evening at the village hall where they had organised a traditional Scottish ceilidh. I am told our young officers displayed some neat footwork throughout the evening to the extent that they were the talk of the village for days! Margaret and Gladys have invited them back next year to lead the dancing especially our own Jamie Hunter who certainly impressed.

The officers, as ever, set a varied programme ranging from our traditional hikes, the mile run and sporting activities. Evening entertainment consisted of drama, quizzes and the chance for the officers to pass on their newly found dancing skills to the boys. As in previous years the boys concluded the week with their inter-tent sketches which were very entertaining. The trip to Tarbert was also a great success giving the boys a chance to shop, eat and generally connect with the civilised world again! Camp would not be complete without our barbeque and the boys versus officers football match. Unfortunately the boys failed to retain the 'Craig McDonald trophy' as they were beaten by a single goal after a two hour battle in near total darkness.

All in all we had a great week despite the mixed weather. The fellowship and teamwork which emerged as the week progressed were a joy to behold. May I take this opportunity to thank our dedicated officers for giving up their valuable time and using their immense talents to ensure the boys had an enjoyable week. They are all looking forward to next year already.

However to ensure that we can offer future camps and indeed a Friday night programme we need leadership. To this end I extend my plea from the June Link article for a new Captain.

We are fast approaching the start of the new term and still require a volunteer to come forward to lead the Company before we lose the great name and reputation of the 278 forever. For more information please contact Tom Nelson or myself to discuss what is involved. Please pray for that person to come forward and for the future of our organisation.

Kind regards
David McGowan
278 Boys 'Brigade

The next meeting of the Book Club will be on 29th September at 8.00pm. We will be reviewing "Jitterbug Perfume" by Tom Robbins.

We will meet at 50 Nethercliffe Avenue. This summer we have been reading "The Circle" by Dave Eggers and "Enchanted April" by Elizabeth von Armin. The variety in our book list leads to interesting discussion and reading.

If you are interested in joining us do let us know!

Update on the Deficit

In the last 3 months the deficit has increased by £593, to be at the end of July, £7,773. The deficit in the Income has risen by some £2,200 to be £5,500 but the deficit on the Expenditure has declined by £1800 to be £1,500.

It is felt that at this point in time, with a reduction in the Repairs and Maintenance expenditure in the remaining 5 months of the year that the total Expenditure in the year will finish close to the budgeted level. Unfortunately the position on the Income side is less positive. In the last 3 months there is nothing to suggest that the level of givings will increase above the level seen in the first 7 months of the year. As we have increased the hourly rate that we charge for the use of our premises by 12.5% to £13.50 as from 1st September and we now have an additional tenant, it is anticipated that against budget there will be no shortfall in the Income from the Use of the Premises. The deficit against the Income budget is therefore likely to be around £7,000. On that basis the deficit shown at the end of July will not have changed significantly from the level at July, of £7,773

The prime responsibility of the Finance Committee is to monitor the finance of our Church and to keep our members fully aware of the state of the finances. In doing so we would hope that each member digests the information and that they respond to the needs of the Church as best they can.

Allan Mathieson

Chairman of the Finance Committee

As we look ahead to a new session, we thought you'd like a reminder of what the Sunday Club got up to last year as was shared by Karen at the promotion service in May, as well as an update for the new session.

After last year's service we had a really good day out, with lovely weather, at the Museum of Rural Life in East Kilbride. We picnicked in the grounds and celebrated Freya's birthday with a cake. It was lovely being in t-shirts and sunglasses for a change! In the afternoon we headed up to the farm and learned all about the animals. We also took up the spirit of the summer theme by taking our jute bag to the Netherlee play park before the summer break. These were happy days together on which to end the Club year.

Starting back in September we decanted first over to the Netherlee Pavilion then to the Scout Hall. This temporary measure certainly developed the biceps of the leaders as we had to carry our resources around with us. As well as taking part in the Blythswood shoe box appeal we responded to the call for towels for the Lodging House Mission night shelter. Christine McGowan took the sixteen bath towels we bought with our 'brown pennies' to join the others donated by the congregation.

Although the halls were useable, we played safe and had our Christmas Party in the Scout Hall with all our favourite games. The event was helped along by our very own Christmas Elf and Miss Tinsel. Our Nativity this year featured a very feisty Mary in Isla Burnett, with baby Jesus delivered in an Amazon box. As usual, the children managed to bring something wonderful to the occasion and we all left that day with joy in our hearts.

We heard from Helen McVey about her trip to Uganda with StarChild. We knew we wanted to do something to help so we used some of the offerings we had banked over the weeks and months to buy 230 paint pallets and brushes. We were delighted when Helen came along to pick them up.

In February we held our Stir It Up lunch for Tearfund. The kitchen was very busy beforehand with the children cutting up the vegetables for the homemade soup. What Social Services would have thought of us supervising a load of tearful children I don't know – try explaining it's only

the onions! The event went with a swing and we were delighted to have raised over £900 which we rounded up to £1000 to send to the Charity.

Our lessons over the year have often been lively. We have had 27 children of primary school age on our role with many attending almost every week. The grown up members have shared the leadership using material from a variety of sources including Scripture Union, working to their own particular strengths. We have used puppets, the parachute, there has been food, drama, games and stories, through all of which we try to help our young charges know the love of Jesus. If you were at the Service you would have seen how talented the kids are with arts and crafts as we displayed their pieces of artwork showing their journey in faith.

Although all the ages are now together we are continuing with the former structure when it comes to promotions, so we will be promoting Primary 2 and Primary 5 children within the Club. I reckon the last time we had as big a year 7 group moving on was 2010 – we have thoroughly enjoyed working with these P7s, they are a joy and a credit to their families.

Our Primary 2s—Logan Gibson, Freya Cook, James Forbes, Mhairi Menzies.
Our Primary 5s - Zak Gilmour, Max Docherty, Sorcha Cook, Lewis Lawrie
Our Primary 7s – John Cowan, Julie Cowan, Karys Nairn, Eva MacLachlan,
Sarah Hill, Rhianna McIntyre, Cara Young and Erin Burnett.
Well done to all for your faithful attendance.

It was also a pleasure to welcome Eilidh and Caitlyn Wallace, Mhairi and Emma Nicholson, David Patterson and Isla MacLachlan as they were promoted from Sunbeams.

We start our new session on Sunday 3rd September. Please meet the Sunday Club leaders in the Welcome Hall from 10.15am.

We extend a warm welcome to all children P1 to P7. Just come along, we'd love to see you. Joining us for the first time? Don't hesitate to get in touch via the Church Office to find out more, or meet us on a Sunday morning.

The Sunday Club Team

Our 2017 Holiday Club took full advantage of our renovated halls to 'Go Bananas' in the second week in August. One of our participants describes her experience...

So after a year off, Holiday Club was back! But with an exciting new twist...a whole new team! We invited Jenny Hamill along to lead us and with the rest of the leaders we went all-out BANANAS to make the holiday club AWESOME! Arts, crafts, songs and dances - every day was a bucket load of fun!

On the last day we had a prize giving in the church sanctuary where we showcased our songs and dances to our parents (I liked "Good Morning" best), before hearing the results of who was The Winning Team. Bananas, Pineapples, Coconuts, Kiwis, Papayas, Mangos and Avocados (my group) - we all went head to head throughout the week and the winning group was . . . AVOCADOS!!! (Ye-es!)

*Overall everyone had a great week.
What will happen next year??*

Sorcha Cook, age 9 (nearly 10)

Netherlee Church Halls

An opportunity for busy young families on a Sunday afternoon from 4-6pm to experience Church through games, crafts and activities; as well as something to eat as a family. *OK to drop in at the last minute!*

SAVE THESE PROPOSED DATES: Sep 10 / Nov 19 / Jan 21 / Mar 4

Starter Packs

My apologies for not thanking those of you who have, over the last year, kept your donations coming to me.

I hope you realise how much they are appreciated, however small, by those who receive them. If you have large items you wish uplifted by the Starter Pack van the number to phone is 0141 440 1008, or I can collect smaller goods. You can also leave items clearly marked in the cupboard in the Welcome Hall, or as Jimmy Logan used to say, "If you want me thingme, ringme" on 0141 637 9233.

Can I also thank Vicky Anderson and Joan Dunbar who helped me at the beginning of the year.

Thank you for your generosity.

Margaret Fleck

Guild Coffee Morning

Thanks to everyone who supported the coffee mornings over the summer. Although for a shorter time, we raised £400 for Guild Projects.

Participatory Budgeting

Recently I attended a workshop organised by Church and Society Council of the Church of Scotland. Participatory Budgeting is a bit of a mouthful so it is often referred to as PB or Community Budgeting. Last year the Scottish Government offered to support a pilot project of 5 churches carrying out a PB process to select and finance projects. Cranhill was one of these pilots along with the Orkney Isles, Muirhouse and Carricknowe in Edinburgh and Arbroath. At the event I attended there were representatives of the pilots.

The process involves advertising the process and inviting applications. In each case the project had a team that had developed the criteria for the applications. At the workshop we were asked to do a similar task. The group I was in had a pretend fund of £2000. The group decided that the projects should have bid limits of £50 - £500. The projects should be geographically limited to the parish boundary but otherwise there were no limitations. Glasgow City Council is using PB as part of Community Planning and they have found that groups need a lot of support and training to complete the application. Once the application is received only applications that do not conform to the criteria were eliminated prior to the presentation date and the voting.

Criteria developed by our group:

- Fund total £2000

- Upper and lower limits for grant request (£50 minimum application - £500 maximum)

- Geographical limitation

- Date of submission

- Date of presentation and voting

- All attenders at the meeting have 5 votes and must use all the votes

- They can vote for their own project but only once.

- All persons over the age of 8 can vote!

Cranhill found that there was a good response to the call for applications. The variety of applications was interesting. One was for the equipment for the primary school to do a litter pick on a regular basis. Another was

for funds to do a pilot project of using music (song) for those living with dementia. Another was to develop raised beds for the garden that is in the church grounds. Many of the applicants found making a presentation scary but were pleased by the response from the audience.

When the votes had been counted the winners were announced. People were pleased that they had got money for their project. The final tranche of money (6th place) was tied between the Knitting Group and the Art Club and there was £150 available. The groups were advised they could split the funds but they decided that the knitters could get enough yarn to keep them busy for months if they had £50 and the art materials are more expensive so they would like to see the Art Group get £100. In the pilot groups it was significant that sharing and co-operation was apparent.

This may not seem relevant to us but Community Planning Act makes it mandatory for all councils to use PB for 1% capital projects. This may be about cycle paths or playgrounds but it will be about projects you want to support or reject. PB is going to be significant in local democracy .

Sheena Wurthmann

Thank you

Anne and John Mann would like to thank everyone for their kind thoughts and prayers during their daughter, Christine's recent illness. The good news is that Christine has made a near complete recovery and returned to work at the beginning of August.

Christine is abseiling off the Forth Rail Bridge on 15.10.2017 for Chest, Heart and Stroke. Anyone who would like to sponsor her should visit the Facebook link [Frboct2017.everydayhero.com](https://www.facebook.com/Frboct2017.everydayhero.com) or speak to us.

Thank you.

The Poppy appeal has long been part of the Netherlee Church Calendar.

Last year the wonderful sum of £4465.42 was raised by a hard working group of volunteers, many of whom have given their time and energy for more years than they like to remember. Poppyscotland, in common with other charities, is looking at different ways to raise money. House to house collections, whilst being very valuable, are becoming more difficult year on year.

Poppyscotland has been invited by Ahmadiyya Muslim Community in Glasgow to take part in their Walk for Peace event in Kelvingrove Park. This is a 5km walk. Anyone who is interested, please speak to me for further information.

This year I hope to increase the presence in our local Sainsbury's over the following dates 4,5,9,10 and 11th November. In order to do this more volunteers are needed.

I am also running a coffee morning on 11.11.17 from 10am to 12md. This will include the 2 minute silence. Anyone who would like to help with this or who would like to donate for the home baking or tombola stalls should contact me by phone on 01355231885 or email John-mann4@sky.com.

Thank you in anticipation of you continued support.

John Mann

GIFT AID AND W.F.O.

At the June meeting of the Kirk Session the Convenor of the Finance Committee made particular reference to the importance of reviewing givings annually. Despite two Stewardship Campaigns since mid-2012, at least 120 members have not altered their giving in any way between then and now, during which time the membership roll has dropped by 149, placing a greater responsibility on the remaining members.

Both Gift Aid and WFO income were below budget at the end of July which raises the prospect of a substantial deficit at the end of the year. If you are in the group specifically mentioned above, please spare a few minutes to consider whether it is possible to make an increase, no matter how small.
